Marc speaks nationally on leadership, property management, real estate investing, and business topics. He is known for his warm, genuine delivery of world class insights into how success is built with systems, behaviors, and planning.

"You spoke as if you were having a heartfelt conversation with the audience, which indeed you were. Your passion for your business and your passion for helping other people in business clearly came through. It resonated with everyone." - Bill Wright

"I had a few 'ah-ha' moments in your session. I may as well tell you right now, I will be using your 'therapy turkey' story. Your session was fun, interesting, and informative." - Don Maurer, Jr., Pino Agency, New Jersey

"Marc's performance raised the bar and blew away our expectations." - Jordan Muela, CEO, LeadSimple
